## | Training

Training Title	Location	Institute	Duration
Complete Web Development Course	Online	Programming Hero	6 month
Graphic Design	Online training by the Bangladesh government	LEDP	3 month
Redux From Beginner Level To Advanced	Online	Programming Hero	1 month
Next Level Web Development	Online	Programming Hero	(Currently studying)

## | Professional Certification

Title	Institute/Company	Date
Junior Web developer	Programming Hero	31-12-2022
MERN Stack Developer	Thinky Storm	31-03-2023

## | Achievements

- \*Completed an internship as Junior MERN stack dev.
- \*Got selected on the top 20 teams in Code Samurai 2022.

## | Other Activities

Tejgaon College Programming Club, Hackathon, Programming Contest.

## | Hobbies

Reading books/comics/manga, cosplaying, cycling.

## | Professional Interests

Senior Software Engineer, Project Manager, Team Leading.

## | About Your Self

Dear Hiring Manager, I am Sumaia Akter, a MERN Stack Developer and a highly motivated professional with a strong background. I have a passion for technology. Throughout my academic journey, I acquired a solid foundation in Javascript and honed my problem-solving abilities. Additionally, I've gained valuable practical experience through

internships and projects, which have further strengthened my expertise in MERN. Furthermore, my proficiency in MERN enables me to quickly adapt to new technologies and contribute to the success of your team.
